Firm collecting toys for children in need

For The Telegraph

EDWARDSVILLE — Gori Julian & Associates Inc. is working to make sure the less-fortunate children in the Edwardsville and Glen Carbon area receive toys this holiday season.

As part of the local Toys for Tots campaign, which is administered by the US Marine Corps, Gori Julian & Associates is collecting unwrapped toys through Dec. 18.

“Gori Julian is so pleased to be a part of this very important campaign that we has a significant impact on our area’s families during the holidays,” said Randy Gori of Gori Julian & Associates. “We want all area children to have a safe and happy holiday and hope that others in our community will share in our spirit by donating a toy to our drive.”

Residents interested in making a toy donation may drop their unwrapped gift

at Gori Julian’s main office, 156 N. Main Street in downtown Edwardsville. All of the toys collected will be given to Toys for Tots in time for their holiday donations to area families. For questions about making donations, call Lindy Heigert, of Gori Julian & Associates, at (618) 307-4085. To follow the campaign on Facebook, search Gori Julian.

This is just one organization that Gori Julian & Associates supports

throughout the year. The company and its employees lend their time to professional organizations and their time and resources to other nonprofits such as American Cancer Society, Make-a-Wish Foundation of Illinois, Madison County Child Advocacy Center, Hope Rescue, Mesothelioma Applied Research Foundation and more.
